## The Family Music Centers ADVANTAGES:

For 19 years, Family Music Centers has devoted itself to promoting and supporting music education. We are the only full-line music store in the entire Las Vegas valley. We sell and rent just about every kind of musical instrument, from pianos and keyboards, guitars and complete drum sets, to all band and orchestra instruments, including woodwind, brass, string, and percussion. It's all at Family Music Centers. Plus every instrument we sell or rent meets or exceeds industry standards.

Rent-to-own a new instrument at Family Music Centers and we'll apply all rental payments to the purchase of your instrument.

Rent a previously rented instrument and not only save the money off the price of a new instrument, but we'll apply up to 12 months of rental payments toward the purchase of a new instrument.

If you would prefer to buy an instrument, Family Music Centers offer a **GUARANTEED Buy-Back Plan** on most purchases. See the showroom near you for details.

If you decide not to keep a rental instrument, return it any time after the initial rental period. Within one year of that return, you can apply all your rental payments on that instrument toward the purchase of a new piano.

**ONLY** Family Music Centers offers comprehensive **MUSIC EDUCATION PROGRAM** with lessons on nearly every instrument.
